

Ocean Color Collage

TREASURE HUNT

Can you find an ocean animal that matches each color patch below? It can be a fish, a snail, a coral, or anything else you see! As you find each one, write down its name and take its picture for use later.

red

Write the animal name below:

orange

Write the animal name below:

yellow

Write the animal name below:

green

Write the animal name below:

blue

Write the animal name below:

purple

Write the animal name below:

When you get home, print the pictures you took and make a rainbow collage on the back of this page.

brown

Write the animal name below:
